

## Scenic View Par Quota Rules of Play 4/1/2015

### In order to facilitate fair play:

- **Absolutely no mulligans !!!**
- **Absolutely no gimmies(Putt ball into hole) !!!**
- **Regard ponds on #7 and #10 as grass bunkers. Drop within one club length no closer to hole and play out without grounding your club with no penalty. Or drop back on a line extending from point of entry to flag and take a 1 stroke penalty.**
- **Lost ball or out of bounds (OB), re-hit from previous spot with 1 penalty stroke added, i.e. if tee shot is lost or OB, re-tee hitting your third shot.**
- **Ball may be moved no more than 1 club length no nearer the hole if ball is not on green and not in sand. It cannot be moved onto green from fringe.**
- **Casual water, cart path, roots and rocks afford free relief at nearest point that is no nearer the hole.**
- **Sand traps are played as the ball lies, realizing that all players will experience bad lies. A sand trap is just that, a trap that is to be avoided!!! Casual water applies, relief is in the sand if possible.**
- **No practice putts prior to completion of hole. If no one is waiting practice putts may be made prior to leaving green.**
- **No practice shots during play of a hole.**
- **Please record your score(s) on card as a 2,3,4,5,6,etc. It makes it easier to enter for handicapping purposes. Two people must sign and attest card. Turn cards in after each round played.**
- **USGA rules apply unless explicitly declared here.**
- **Respect golf course rules:**
- **Maximum of 5 players per group**
- **Allow faster groups to play through. Your position on course is immediately behind the group ahead of yours.**
- **90 Degree cart rule**
