

Scenic View Golf Course will be closed until further notice after it was ravaged by an F2 tornado on Monday night Nov 5, 2018. It was a devastating blow to the course. Volunteers have already begun cleanup of the 95% of trees on holes 1 through 4 and 8 through 12. Only holes 5, 6 and 7 were spared.

Volunteers to help in cleanup are welcome and appreciated. Bring a chainsaw to help delimb the trees and any trailer you might have for removal to the burn pile. This could take a few months to complete. Work is ongoing each day until the course is playable again. Words cannot describe the condition the storm left the golf course.

We are fortunate, guys and gals, to have Michael and Dana as proprietors of the course we all love. So please volunteer as you can to help restore the course to playability.

Also note that a **Rebuild Scenic View Account** has been established with:

Citizens Tri County Bank

2030 Decherd Boulevard

Decherd, Tn 37324

Phone: 931-968-3282

Note that Bill Pay can be used at your local bank for transferring funds to this account.

Let's show Dana and Michael how much we appreciate the hard work they do that allows us to play affordable golf in our area. Your help is much appreciated.
